**6.50pm – The Rock Dynamic** – Michael Braithwaite and the fabulous Rock Dynamic team will introduce to you their unique team development product. Rock bands know all about the hard life. Great talent and skills...but struggling for success. Those that persist, work as a genuine team, and fight for success, are later considered outstanding. The Rock Dynamic team will then be demonstrating how their program achieves this with a performance by our very own newly formed rock band, who have been tutored by The Rock Dynamic team.

After the performance you will be able to talk to the Rock Dynamic team about their product. You will also be able to pick up a special Rock Dynamic instrument, don some headphones, and find out if you have a musical calling as a rock legend.

After **The Rock Dynamic** demonstration please stay with us for a few more drinks in the Studio. Our Events team and our Technical Team are both on hand and will be happy to discuss what we can do for you. We hope that you will enjoy the evening, if you have any questions at all please speak to myself (Liz Tullett) or one of the Dominion team.
